

PARKING LOT SCHEDULE
2007-2008
WEDNESDAY

These are the parking lot assignments for this school year. Parents need to arrive 15–20 minutes early to help on the night they are assigned. It is important to sign in next to your name in the PSR office when you arrive. Thank you to all of the families that have consistently helped in the past. **Please realize that all six assigned people are needed on the parking lot each Wednesday night to ensure the safety of our children.** Only one parent from each family is needed on the night you are assigned, both are welcome. Parents are needed to help supervise cars when children are being dropped off and when parents are picking up their children. Parents are also asked to stay during PSR to help monitor halls. If you are a hall monitor, you will be needed in the parking lot for dismissal. If you cannot work the night you have been assigned, please switch with another family on the list. Please notify the PSR office at 926-0021 if you have switched. Every family has been assigned two nights for this school year, unless you have more than one child enrolled in PSR. If you have more than one child enrolled, some of you have been assigned three nights. Thank you for your help in keeping our children safe at arrival and dismissal times.
